## • Introduction

Hi! My name is Marie, I'm 16 years old. I live in Biarritz, France. I have been riding horses for 12 years and playing electric guitar for 2 years. I love to draw (mainly characters from books, games or series I enjoy) and I'm in a lot of fandoms (including Steins; Gate, Dangan Ronpa and The Legend of Zelda). Feel free to ask if you wanna know them!

Hi, my name is Peter, but everyone calls me Shark. I am 15 years old and I like to play drums, pc games (best World of Warcraft) or go out with my friends. I study at Secondary School of Electrical Engineering.
